## EXPERIENCE

### **Food and Agricultural Policy Research Institute, Columbia, MO — Intern**

August 2019 - May 2020

Part of a small team in charge of updating and maintaining economic models predicting future crop prices based on historical yields and baselines. Required use of R coding language, RStudio software, and HTML / CSS frameworks.

### **AutoZone, Kennett, MO — Parts Sales Manager**

January 2025 - March 2025

Responsible for helping the store manager and assistant manager to maximize sales and customer satisfaction.

### **Cannabliss, Senath, MO — Production Associate**

March 2025 - October 2025

Facilitate the manufacturing and packaging of cannabis products. Maintain statewide policies and regulations in handling and storing of merchandise.

### **Cannabliss, Senath, MO — Cook**

October 2025 - January 2026

Follow state food safety and Missouri Division of Cannabis Regulation standards to produce cannabis infused edible products including gummies, chocolates, and tablets.

### **Cannabliss, Senath, MO — Facility Manager**

January 2026 - current

Perform upper management duties related to distribution, regulatory compliance, personnel management, and inventory management. These tasks include pulling invoices, creating manifests, order fulfillment, facilitating pickup for orders placed by licensed dispensaries, compliance audits (quarterly), security audits (bi-yearly), lab testing of new products prior to selling, scheduling employees, submitting timesheets for payroll, inventory audits (monthly), and tagging and securely storing all merchandise.
